The Tailored Growing Experience.

01

4" OR 5"

The Right Size

Rolling benches come in 4 ft. or 5 ft. widths, and are ideal for any indoor grow room and greenhouse setups. Combine kit sections for up to 60 ft. length.

03

Modular Trays

Wachsen Pro food-grade ABS trays are designed in a range of sizes, drainage options, and make sanitation a breeze.

OPTIONAL†

02

OPTIONAL

Adjustable Trellis

Use Wachsen trellis supports in combination with your rolling benches to direct the growth of your plants and support the weight of their branches and buds.

04

Easy Assembly

Out-of-the-box and ready-to-use solution. Can be assembled quickly with no special tools or contracted labor. Reduces the cost per square foot of your operation.

* Plastic: Lifetime warranty / Metallic structure: 5 year warranty

† Bench system retrofits with any limitless custom length manufactured tray inserts (ABS or Styrene).
